

Modplan Release – Rugby Windows Open House 10th April, 2017

Rugby Double Glazing’s showroom opening was right on cue!

Network VEKA installer, Rugby Double Glazing recently opened their new retail showroom at the company’s headquarters in Warwickshire. The new showroom was officially opened by Network VEKA’s brand ambassador Steve Davis and the event was supported by their fabricating partner Modplan Ltd.

Ian Lewis, Modplan’s Sales Manager said, “The showroom opening was superb with a high footfall of potential new business attending the one day event. The showroom itself is stunning with attention to detail evident in every corner. As Rugby’s key fabricating partner, we were delighted to support their official opening.”

As Ian says, the attention to detail is impressive and the new showroom gives Rugby Double Glazing an opportunity to show off their impressive range of windows, doors and conservatories direct to the consumer.

During the event £235 was raised for Hope 4 Homeless UK, a charity organisation that helps homeless people and those in need. For further support to this worthwhile charity, Modplan donated three windows to the charity’s shelter to replace some ageing windows which will be fitted by Rugby Double Glazing.

Rugby Double Glazing is the only Registered Installer authorised by Network VEKA in Warwickshire and the surrounding area. The company has built its reputation on providing good quality products with superb customer service. This new showroom will give the company any opportunity to enhance that reputation as it continues to grow.
