

Building Perfect Partnerships Health and Safety Policy Statement

The scope of Modplan Health & Safety Management System(H&SMS) includes all 4 sites located In Abercarn, near Newport, South Wales, for the supply and manufacture of glazed/unglazed windows, doors and conservatory roof systems fabricated to customer requirements, and a range of Garden Buildings.

The Directors, Management and Staff of Modplan Limited fully accept responsibility under the requirements of the Health and Safety at Work Act 1974 for providing a safe system of work for all employees, visitors, and members of the public. We regard health and safety as an extremely important priority and are committed to achieving and maintaining a high level approach towards our working practices within the company. The company will endeavour to ensure that all operations and services are undertaken in accordance with current Health & Safety legislation and relevant codes of practice.

To achieve these aims Modplan will;

- Provide such information, instruction, training and supervision as is necessary to enable the safe performance of work activities.
- Provide a safe working environment and safe systems of work throughout the manufacturing, delivery, installation and servicing operations.
- Provide adequate facilities and arrangements to enable employees to raise issues relative to health and safety.
- Provide adequate welfare facilities for all employees.
- Conduct risk assessments to identify workplace hazards and reduce or eliminate the risks to an effective level where reasonably practicable.
- Provide occupational health surveillance to monitor and improve safety performance.

Every employee has an obligation to take reasonable care for their health and safety and for the safety of other people who may be affected by their acts or omissions. The involvement and co-operation of employees at all levels is essential for the effective implementation of this policy.

The company will each year establish objectives and analyse performance to ensure continuous improvement.

This policy will be periodically reviewed for continuing adequacy and amended or revised where required.
